The Wake For Warriors Lake Allatoona chapter with local sponsors Butler Creek Animal Hospital and Cedarcrest Animal Hospital, want to invite you to a community fundraising event benefiting the Wake for Warriors organization. This event is open to everyone, so please bring your family and friends out for this carnival-style evening of fun!

TO PURCHASE TICKETS OR FOR MORE INFO CALL (770)529-7277

What is Wake For Warriors?

Wake for Warriors is a 501 (C) 3 non-profit founded in 2012 by veterans to serve veterans.

Our focus has, and always will be, on connecting with our riders. We share in their struggles and celebrate victories on and off the water. WFW is guided by combat veterans that understand the value of camaraderie without the hype, marketing or fanfare.

What better way to enjoy a summer evening than cooking out? We will be serving up complimentary hot dogs, bratwurst, and refreshments

- 25 Tickets - \$20

SPECIAL GUESTS

Meet Mark and Mattis!

Mark and Mattis have been a team for over 5 years. Mark is a 15 year veteran with the police force and Mattis is the most highly decorated dog in the department's history.

Mark has always seen dogs as a great bridge to connect law enforcement and the people they serve. They have grown their following on social media to millions. They are focused on using their platform to bring people together with fun and creative posts while giving insight into the special bond between a handler and K9.

They appeared on the inaugural season of America's Top Dog on A&E winning episode four and coming in a narrow second in the Champions Episode. That led to appearances on Entertainment Tonight, Good Morning America, Fox and Friends, and in-studio hosts on LivePD.

100% of the proceeds from this fundraiser go to Wake For Warriors. We invite you to join us to help our veterans get on the water and make great memories! Donations are tax-deductible best made by check to Wake for Warriors and memo BCAH Event. Cash and check donations can be dropped off at Butler Creek Animal Hospital or Cedarcrest Animal Hospital.

Please visit the website, Facebook, and Instagram to connect with photos and videos of the people and places of Wake for Warriors.
